In Collaboration With

Violations Documentation Centre In the City of Mayadin

Started Wathiq (Document It) Campaign on 6th July 2013.

Wathiq is a set of activities to encourage citizens to participate in observing and documenting violations in order to have them as real partners in the process of claiming their rights, upholding and protecting them as well as integrating human rights into our society.

Emphasizing on the idea of rights and justice for all in confront with any party, and that all documented data is shared by all Syrians and their future.

Wathiq Activities:

- Four mural paintings in crowded public places:

1- Ali Bin Abitaleb School

- Posters where attached on walls in several places in the city for example in front of the blood transfusion centre to draw attention and to reach the largest number of people in order to encourage them to document the violations that took place and are still taking place in their city.

Wathiq in the city of Maydin is a part of a series of campaigns that were launched first in Rakka city and later it will start in Deir Ezzour governorate, meanwhile the preparations are taking place in the villages of eastern suburbs like Qoriya, Alashars and Basira and it will start in a few days.

Wathiq met a considerable influence among people and a wide acceptance referring to the positive response to the campaign and the importance of the rights that requires the participation of everyone for documenting the different violations against human rights and upholding the rights of the affected and their families in the future.

The first days of Wathiq had 214 forms filled out and the campaign is continued in the suburbs of Mayadin.

- Alarabiya Channel has prepared a news report on the campaign, Please follow the link:
